Sir,

I respectfully beg leave to represent that I am a retired Official of the Mysore City Improvement Trust Board, and I was in the regular Government Service for about a period of ten years or so before I was drafted to the Mysore City Improvement Trust Board and there being Supernumerary I was retired. The Comptroller without making any distinction of my Services and that of Officials entertained in the Mysore City Improvement Board & retired there, has

under general orders instructed the Treasury Officer, Mysore desired to recover Grain Dearness allowances paid to me and other Officials (retired) of the Local Self Governments from July 1945 up to the end of September 1945 in their pensions to be paid for October 1945. Had the Comptroller sympathetically at the very early stage in the month of July 1945 only instructed the Pay Officer not to pay the Grain allowances to the pensioners of the departments specified, they, the poor men, would not have been subjected to much distress and hardship by being made liable to pay back the amount of three months in lump sum & beg to plead in my case that I am legally

I respectfully beg leave to represent that I am a retired servant of the Mysore City Improvement Trust Board and before I was transferred to the Trust Board Service I was in the Revenue department (Govt) and had rendered (five) for more than eight years service like myself there were many Govt hands who were taken to the Trust Board but at the time of retrenchment & establishments, which

Ex IIIrd Service

happens on many occasions, all the Govt hands that were in excess were sent back to their orginal departments or provided with suitable jobs in the government I was one of the retained hands, and continued my service till the day of my retirement. If as the Trash Board was originally constituted as temporary department, it had been abolished I should have been provided with an appointment in the government, and as such I beg to represent that I am a retired government servant but not wholly Trash Board Pensioner and therefore I am entitled to Grain Dearness Allowances

I made several appeals to the Controller but he was pleased to give a curt reply that my pension was fully debitable to the Mysore City Improvement Fund & so I cannot be allowed Grain Dearness Allowance since the Government having not sanctioned the Grain allowance for Local Self Govt retired men. He would not enter into the hardship of my Service but summarily disposes my case I beg that you may be pleased to make enquires and verify my Statement & then be kind enough to treat me as Govern-

Grain Dearness Allowance as
to me as allowed to Govern-

I most respectively beg leave to humbly represent that I am a poor retired official of the Mysore City Improvement Trust Board and getting a petty pension of Rs 25/- I had served in that department and Government for more than thirty years In these days of famine it is very hard to live on this small pension In addition to myself I have dependents whom I have to maintain. as queen to government pensioners
The Mysore District Treasury have
ceased to pay the Self Government
retired officials from the month of
april 1946 because, it seems, they
have not received any orders either
from the Government or Comptroller
I learn that the Chairman of the
Mysore City Improvement Trust-
Board with the support of the
Boards Resolution, has re-
commended that the Grain dearness
allowance may be continued to
ment for the Trust Board retired officials
as long as the Govt pensioners
do get. There are only three
retired officials surviving of
these one is blind, and another
is not in this place and the re-
maining one is myself now in
74 year And having not received
this small resource I am hit
very hard, reduced to half-

half starving condition - I was
in the Govt Service and transferred
to the Mysore City Improvement
Trust Board and continued my
Service there till the time of my
retirement - but I am clubbed
with the self Govt retired officials
and deprived of the GD allowance

I most humbly beg that you
may be graciously pleased to

the retired officials of the Mysore

by the Chairman, M C I T Board and
thereby give lonely needed relief
to us, poor helpless retired officials

Sir,

In forwarding herewith the application of Mr M Subba Rao, a Pensioner of this Municipality, requesting to raise his pension to the original sanctioned amount before a portion of his pension was commuted and to continue to pay the Dearness Allowance, I have the honour to state that the Municipal Council has already agreed to pay the dearness allowance so long as it is paid to the Government Pensioners It is not known why the Dearness Allowance is discontinued to be paid to them now when it is paid to Government pensioners, though the Council has agreed to this payment, as

stated above I therefore request that the Dearness Allowance may be continued to be paid to them as heretofore as in the case of Government pensioners without causing them inconvenience

Respected Sir

It is learnt that a collective application of Government Service Pensioners getting Rs 40/- and below which was subsequently reduced by about 1¼th through commutation before the last war when the rates of foodstuff etc were favourable has been submitted to His Highness the Maharaja to raise their pensions to their original value on account of the present famine time and the question is pending before the Government But the Municipal pensioners of the above discription have not been included therein

I therefore humbly and respectfully beg to approach your honour with the following -

(1) I retired 18 years back as Ist grade clerk of this Municipality (P O No 11649 dated 1-11-1928) and got a poor pension of Rs 23-4-0 which was reduced by Rs 5/- through commutation 17 years back Hence nearly double the amount I got through commutation has been hitherto deducted from my pension Under these circumstances I most humbly request your Honour to kindly recommend my case also to the Government for favourable consideration

(2) I further beg to state that the Dearness Allowance of poor ~~municipal~~ pensioners like me has again been stopped since last month while Government pensioners are getting the same although you were kind enough to recommend to the Government in your last to continue payment of D A to Municipal Pensioners also so long the Government pensioners enjoy the privilege

I beg to remain

MAHARAJA OF MYSORE,
MYSORE

The humble Memorial of the retired officials of the Mysore City Improvement Trust Board and the Mysore City Municipality

May it please Your Highness -

(1) That the Memorialists are Your Highness's Loyal and humble subjects and also retired officials of the Mysore City Improvement Trust Board and the Mysore City Municipality

(2) That the Memorialists humbly beg to represent that they are getting petty pensions which were calculated and settled on the low scales of pay they were getting in good old days and now in these abnormal times they count for nothing They had rendered to the Government hard and Loyal service for more than thirty years and now owing to their advancing age and disease they are weak and disabled and in consequerce unable to find any other means to supplement their small pensions

(3) That the Memorialists to add to their difficulties have dependents on them to maintain and in these hard and famine days their conditions have become miserable and they are finding it difficult to survive

(4) That the Government of Your Highness have been pleased to grant to such of the Governmenf pensioners who are drawing pensions of Rs 40/- and less small grain dearness allowances of Rs 4/- and Rs 3/- from the month of April 1944, and on-wards and which though a consoling allowance yet is not a substantive addition to the pensions of the poor old retired officials of the Government and even this small allownce has not been regularly and continously paid to the retired officials of the Mysore City Improvement Trust Board and the Mysore City Municipality

A, Cec 5/7/46

(5) That it is most unfortunate and regretable that the Government making distinction amongst these two kind of pensioners as Government pensioners and Self-Government pensioners have over-looked and ignored the latter in the matter of continuing the grant of grain Dearness Allowances

to them from the month of April 1946, though they have the full controlling power over allthe departments and their finances

(6) That the memorialistis, in conclusion, humbly pray-----

Your Highness to be pleased to direct the Government to show the retired officials of the above referred to departments an equitable treatment with the Government pensioners without making any distinction as some of the said pensioners were transferred from the Government service to Self-Government Departments for service and retired and to pass orders for the payment of Grain Dearnes Allovances to them as long as Government pensioners are sanctioned similar allowances

That the Memorialists for this benevolent act of Your Highness ever pray God for Your Highness Long Life Happiness and prosperty

That they beg to remain,

Your Highness ost Loyal, Obedient, Subjects & Servants

We beg to enclose herewith two copies of letters for your kind and patient perusal, one from the Chairman, Mysore city Improvement Trust Board and the other from the Treasury Officer of the Mysore district, regarding the payment of Dearness allowances to the retired officials of the Mysore city Improvement Trust Board and the Mysore city Municipality. The former one gives us information that Govt were pleased to sanction us the D. allowance from July 1946 up to the end of December as done to government pensioners, and the latter one states that the Treasury

Officer has not received any advice from the Comptroller for disbursement of D. allowance, though it is now more than two months old, since passed, the Government sanctioned the same, in their Proceedings No. 2797-809/Md 90-46 1 dated 21/28-8-19

We now, humbly beg you may be graciously pleased to direct the Comptroller to arrange for the early payment of Dearness allowance with effect from July 1946 since we poorly paid pensioners are miserably suffering in these hard days

Sirs,

We the undersigned retired officials of the Mysore City municipality and the Mysore City Improvement Trust Board jointly and most respectfully beg leave to approach you and represent that in accordance with the government orders No L 2797-806/Md 90-6-41 dated 21/25 8 1946. Communicated to us in your office endorsement No A/4 C 332 of 45-46 dated 31 8 1946, we are not paid the Dearness allowances from July 1946 up to date in the Mysore District Treasury. The Treasury authorities say that they have not received any instructions from the Comptroller to make any payments to the retired officials of the above said departments we were given to understand that both the Mysore City Municipal Council and the Mysore City Improvement Trust have agreed to accept the Charges to be incurred on this account In spite of government orders, and the Resolutions of these two departments, the Comptroller is withholding the Dearness allowances payments to us poor pensioners

we made and have been making several appeals to the Comptroller, the Financial Secretary to sympathise with our lot and direct payments of D Allowances but we very much regret that we have not been favored with any reply.

Out of these pensioners many of us were government servants transferred to these departments and retired there thus facts ignored and treated them as local body pensioners

It may not be out of place here to bring to your kind notice that some of our co-retired officials who belong to these departments and drawn their pensions in Bangalore have been paid the D allowances regularly without any hitch or trouble Thus is an anomaly which could not be understood

In Conclusion we respectfully and humbly beg that you may condescend to take sympathy on us, the poor pensioners and make a special reference to the Comptroller to arrange to pay us the Dearness allowances to the undersigned and other pensioners of these departments without any ~~other formalities~~ delay thereby give us relief for this benevolent and sympathetic act. we shall feel very grateful to you, Sir

GOVT OF MYSORE

Sir,

We the undersigned, with due respects, beg to approach Government, with this joint petition so as that you may be pleased to move the government to give us the Sufferers any early relief

The Government were pleased to sanction the continuation of dearness allowances to the retired employees of the Local Bodies, in their orders no L 2797/Md 90 46-1 dated 21/26 8 1946, which to give effect to from July 1946 upto the end of December 1946 But the mysore district Treasuries have not been, in accordance with government orders paying D/allowances to the retired employees of the mysore city municipality and the mysore City Improvement Trust Board. The Treasury authorities say that they have not received any directions as to D/Allowances payments to these retired officials of the above said class from the Comptroller

As we receive no replies from any Concerned higher authorities to whom we have been appealing, are we to understand that government orders above referred to are not to be given effect to, or kept in suspense of execution, or lapsed their enforcement

We poor people, all paid pensioners that understand government in sympathy with the condition

of misery and suffering prevailing amongst
us in these hard days, make such orders to this purpose
to be frequently given effect to, but in unnecessary
delaying formalities and correspondences
by the authorities, the execution of orders
are allowed to drift and lapse too. What
benefit will the poor pensioners derive,
as they are expected to be ever ready to the
call of Death - if the matter of payment
delayed month after month

Lastly we humbly pray that you
may be pleased on behalf of government
direct the concerned authorities to give
immediate effect to, by paying the D
allowances to the undersigned petitioners -
we expect your early reply on this subject to our petition.
We beg to remain

Sir Knight

We the undersigned retired officials most respectfully beg leave to approach you, Sir with this joint petition, as a last resource for our salvation so as, that you may be pleased to bring to the notice of His Highness the Maharaja our grievances and obtain Their Commands regarding the matter of our request appeal

2. We are poor pensioners of the Mysore City Municipality and its Sister department, the Mysore City Improvement Trust Board, getting petty pensions from which, in these hard days could hardly keep body and soul together

3 The Government sanction the dearness allowances regularly to the low paid pensioners of Government but often neglect and ignore the pensioners of the Local Bodies to accord them the same treatment we have to had to agetate represent and press upon the Government to sanction us the Dearness allowances & even the fact that we, some of us, were transferred to the Local Bodies' services from Government is not considered and taken into account -

4 In the latter part of August 1946 the Government were pleased to sanction the Dearness Allowances to the retired employees of the Local Bodies to take effect from July 1946 and continue up to the end of December 1946, as sanctioned to Government pensioners, but we regret-

Mod 2797-806/ Ud 90 46-1 dated 21/26 8 1946

very much to state here that we have not been paid the Dearness allowances in the Mysore district Treasury up to date - we are told that the Treasury authorities have not received any directions for payment from the Comptroller - the reason for withholding the payment of Dearness allowances to us, the poor pensioners, even after the sanction of Government cannot be understood

The Comptroller, in accordance with Government orders, could have expeditiously arranged for payment, with the necessary formalities going through but we are vindictively overlooked since we once belonged to the Local Bodies Services

5 We approached and appealed to all the authorities above and concerned but we have received no relief nor vouchsafed by a reply

6 - Now we the humble petitioners and loyal subjects approach our Sovereign and Ruler, through your benevolent intercession to take sympathy on us, the poor pensioners and pray for the issue of his commands to pay us the Dearness allowances withheld and also to continue the same so long as Government pensioners do get and till the condition of present affairs improve without making any distinction such as 'Government pensioners and Local Body pensioners

for this act of generous and sympathetic help we shall feel very grateful -

we respectfully beg to remain

Most Respected Sir,

Subject Dearness Allowance to Retired Municipal Employees

We the undersigned poor pensioners of Hassan and Arsikere Municipalities beg to bring the following grievances to your kind and sympathetic consideration and favourable orders.

Please put up a comprehensive note for Submn to the min

We beg to state that the Government has pleased to sanction Dearness Allowance to all their pensioners considering the present abnormal situation We were also given the same since then

Recently in August 1946 it was ordered by the Comptroller to the Government of Mysore Bangalore in his Circular No 365/Pen dated 31-8-1946 to disallow the Dearness Allowance to the Municipal retired employees In addition to it the dearness allowance already paid is being recovered

In this regard we had approached the Financial Secretary, Revenue Secretary Comptroller Presidents of T M C Arsikere and Hassan requesting to be kind enough to grant us the ~~DA~~ D A as before No orders are yet passed in this behalf.

Your Honour know the present abnormal condition in the locality especially for us to maintain big families in our old age

Therefore we humbly and respectfully beg to request you to kindly pass orders to grant us Dear-Ness allowance admissible, as other retired Government employees for which act of kindness we will be ever grateful

We, the undersigned most respectfully beg leave to represent the following for your kind consideration and passing favourable orders -

1 We, the undersigned retired officials were in the Government service for a number of years before we were transferred to the Mysore City Improvement Trust Board in the year 1904, for service In the same way many Government hands were drafted to this department

2 Primarily the Mysore City Improvement Trust Board in the year 1904, was constituted as a temporary department, and the Government hands transferred there had the assurance of the permanency of their services and their claims for pension etc , to be admitted in case of their retention

3 The Mysore City Improvement Trust Board establishments were revised and reductions effected in the year 1907, and when in consequence many Government hands found in excess were reverted to the several departments of Government and some few were retained and of the latter we the undersigned were two officials We continued our services in the department till the days of our retirement time To make provision for our pension, instead of contribution, we understand, our pensions and commutation of pensions etc , were wholly debited to the Mysore City Improvement Funds, since the department has been run by Government subvention

4 Hence, we are legally entitled to Dearness allowances as Government pensioners, for the explained reason that we were transferred or lent to the Local Body services But unfortunately for us, the Mysore District Treasury, taking the facing entries of our pension certificates, where it is mentioned as "retired clerks of the Mysore City Improvement Trust Board,

P T O

refuse to pay us the Dearness allowances without special directions from the Comptroller - many employees of the Mysore City Improvement Trust Board who served but a few years in this department, transferred to the Government departments are recognised as Government servants Similarly high officers deputed ~~on or~~ transferred to the Mysore City Improvement Trust Board as Chairman etc , after their reversion to Government service are deemed as Government servants

5 We now beg to submit that Dearness allowances, since April 1944 have not been paid to us regularly and in time And from July 1946 up-to-the end of December 1946 we are not continued the payment of Dearness allowances since we have been classified as retired employees of Local Bodies

6 We, poorly paid pensioners are put to great misery and hardship, in these hard days, if we are denied this small source of help and supplemental income from government It is not our fault that we were transferred to the local Body service Even to-day that such transfers are made

In conclusion, we beg to submit, that you may be pleased to verify our statements, from the records of our services called for, either from the Comtroller Office, or from the Chairman's office, of the Mysore City Improvement Trust Board and be kind and generous enough to decide that we come under the head of Government pensioners and thus be entitled to Dearness allowances as Government pensioners and also to continue as long as Government pensioners will be given

Sir,

We humbly crave your indulgence to remind you of our appeal made on 5th February 1947 of this month regarding the settlement of dearness allowances payment to the undersigned as Government pensioners for the reasons explained in our appeal referred to above, and pray that you may be pleased to decide our case favorably and as early as possible the result of your orders thereof may be communicated to us In these days, it is our sad experience that to whatsoever quarters and to whomsoever authorities we apply and appeal we get no response nor redress

Again in these hard and trying days for poor and ill paid pensioners of our kind it is very difficult to live and survive without the supplemental help of government.

In the name of justice and mercy we beg that you may be sympathetic to render us early relief -

Subject:- Dearness allowance to Retired Municipal Employees of Arsikere & Hassan

--

In continuation of my applications dated 9-1-47 23-1-47 3-3-47 and 2-6-47 praying for sanction of Dearness Allowance to me like other Retired employees of Government I beg to - state that no orders has been received till now and recoveries continued at the time of drawing pension every month I learn that the DeputyCommissioner Hassan District has sympathetically recommended to Government to sanction the allowance in support of the Resolutions passed by the Municapal Councils of Arsikere and Hassan

I humbly request that the Government may kindly pass early orders for the payment of the Dearness allowance that is admiss-ible and to stop recovery of the allowance that is already paid to me and refund recovered amount that I have already drawn till now

I earnestly hope that my humbly prayer will be mercifully considered and favourable orders passed at an early date and thus enable me - the poor pensioner to meet the bare necessities of life in these hard days.

For which act of kindness I shall ever remain gratefull.

Thanking you Sir.
